

I've decided to participate in the Gateway Program and I've selected a community college I'd like to attend.

What's next?

Apply to your community college of choice as soon as possible.

Complete your FAFSA (Free Application for Federal Student Aid)

Online at fafsa.ed.gov or on paper as soon as possible.

If you have already completed your FAFSA but need to add the school you'll be attending, you can go back in and make corrections.

Attend one of two UNM Gateway Program information sessions via zoom. **

Wednesday, March 24, 5:30pm (Invitation and zoom meeting ID will be sent.)

Monday, April 6, 5:00pm (Invitation and zoom meeting ID will be sent.)

Determine your housing.

Gateway students who choose to attend CNM can live on UNM's campus while taking classes at CNM. Check out your options by researching the following websites.

Sign up for orientation at your chosen campus

We recommend you attend an orientation on your future campus; for some institutions, it is mandatory for certain scholarships. Some orientations allow you to meet with an advisor and register for classes that day – this is a great option.

Get to know UNM's [General Education requirement](#) & **Register** for 12 credit hours (full-time)

Completing these required classes will save you time and money; use this as a guide for registration. ([Core curriculum for business degrees](#) is slightly different.) Enrolling as a full-time student, and maintaining a 2.5 GPA, can make you eligible for certain scholarships like the Lottery *and* you'll be able to transfer to UNM in 1 year!
